WHO WE ARE

Virtual Magic Imaging & Photography is owned by Leah Murray and headquartered in Brighton, Ontario. Leah is a professional photographer with extensive knowledge of the best and most unique ecological and photographic aspects of Northumberland County.

ABOUT NORTHUMBERLAND

Northumberland County is a thriving, south-eastern Ontario community on Highway 401 between Toronto and Kingston, a one-and-a-half hour drive from Toronto. Northumberland County offers historic towns, scenic rolling rural areas and spectacular water settings on Rice Lake, the Trent River and Lake Ontario.

Our Rolling Hills Tours offer the following points of interest:

- Tall-grass prairie and savannah ecosystems
- Unique panne ecology in Presqu'ile Park
- Ice Volcanoes in winter
- Cave systems
- Some of the province's best birding
- Accessible wildlife & landscapes
- Varied & fascinating terrain
- Extensive waterways & historical points of interest.

"Not all who wander are lost."

- J. R. R. Tolkien
